Additional Notes

- a. Each entry will be a one act play or an extract from a longer play. The length of the performance shall be not less than 20 minutes and not more than 55 minutes.
- b. The adjudicator may pass comment on any extract from a full length play as to whether it forms a reasonable dramatic entity.
- c. Adjudicators are requested to encourage and improve the endeavours of the participating teams by positive and constructive criticism.
- d. The adjudicator will award marks strictly in accordance with the SCDA marking criteria.
- e. Normally half marks may not be used, except where it would be otherwise difficult to separate teams in an area for which a trophy is to be awarded.
- f. The adjudication is of the performance, not the play chosen by the team. The adjudication should not take account of any other factors (e.g. a young and inexperienced team should be treated in exactly the same way as all others)
- g. Where the same Festival is held in different venues the Adjudicator will, at the end of the Festival, place the leading teams irrespective of where they have appeared.
- h. When the same play is presented by more than one team in the same Festival public adjudications of all performances of the play shall be deferred until after the final performance of the play. This does not apply to private adjudications.
- i. The Organising Secretary will advise the adjudicator on requirements for private adjudications.
- j. On all matters of placing and marking the Adjudicator's decision is final.
- k. Before the results are announced at any Festival, the calculation of marks should be checked by an official appointed by the Organising Committee.
- l. No winner for the night will be announced.
- m. The Organising Secretary will inform the adjudicator of any penalty points to be deducted from a team for an infringement of the rules and announce this to the audience prior to the public adjudication. The adjudicator will amend the marks accordingly but will not make any public reference to this.
- n. At the end of the Festival, the adjudicator will announce, in reverse order of merit, the winners of the various trophies to be presented.
- o. A clear order of merit must be shown. There must not be equal marks in any area for which there is a trophy or placing awarded. Half marks may only be used to avoid said equal marks.
- p. No public reference should be made to actual marks or to the relative position of teams other than what is necessary for the awarding of trophies.

Reserve Adjudicator or Panel

The organising Committee will appoint a reserve Adjudicator or Panel to take over in the event of the adjudicator being unable to fulfil the duties.

The Reserve Adjudicator or panel:
